

# न्यायसेतु – NyayaSetu

A Bridge of Justice

# The Gap No One Filled

दूरी, भाषा, विश्वास

**D**istance exiles the villager from the halls of power.

**L**anguage obscures the law, locking relief behind foreign alphabets.

**T**rust shatters when petitions vanish into the void without an echo.

One Platform. Three Roles. Twelve Tongues.

Trust

**C**itizens command their rights through voice, demanding justice in native dialect.

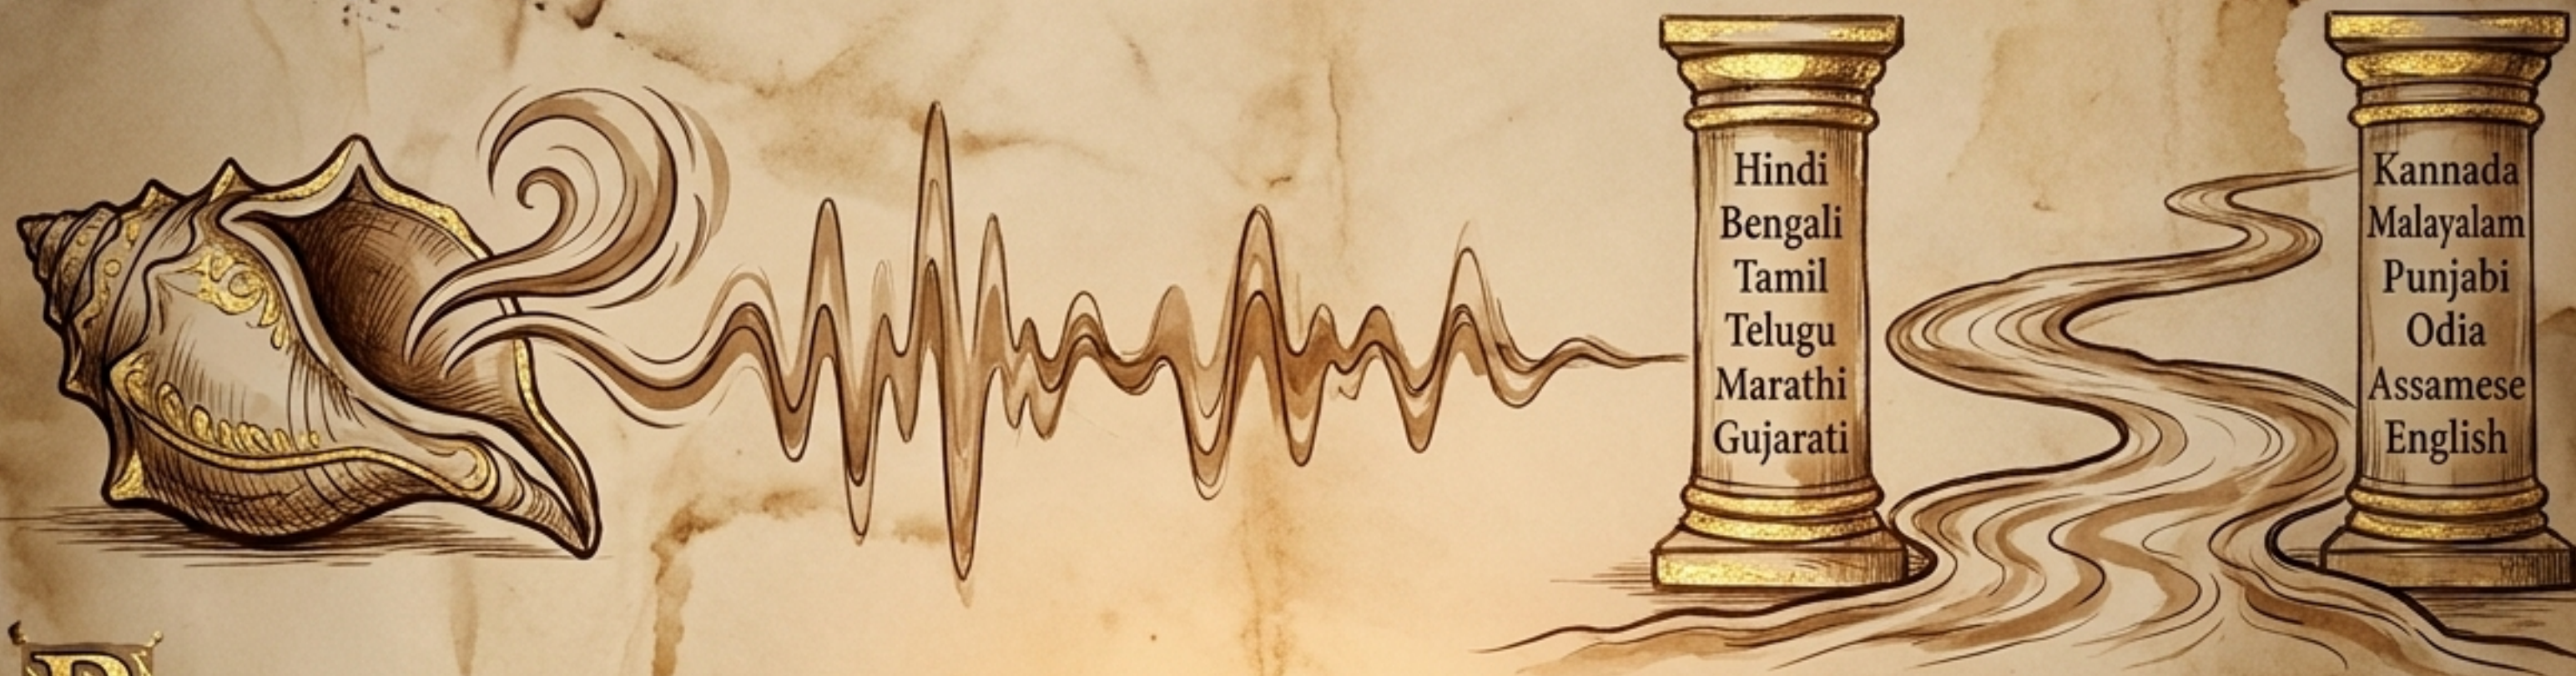

**O**fficers uphold the realm, routing grievances and decreeing resolutions.

**A**dministrators govern the flow, maintaining the integrity of the sovereign architecture.

# NyayaVaani — Speak. Be Heard.

न्यायवाणी — आपकी भाषा में

**B**reath becomes text, auto-detected across twelve regional dialects.

**I**ntent is extracted from spoken sorrow, translating dialect into formal decree.

**A**ction returns as spoken word, echoing resolutions back in the native tongue.

# The Realm's Library — Decoded

## योजना ज्ञानकोश

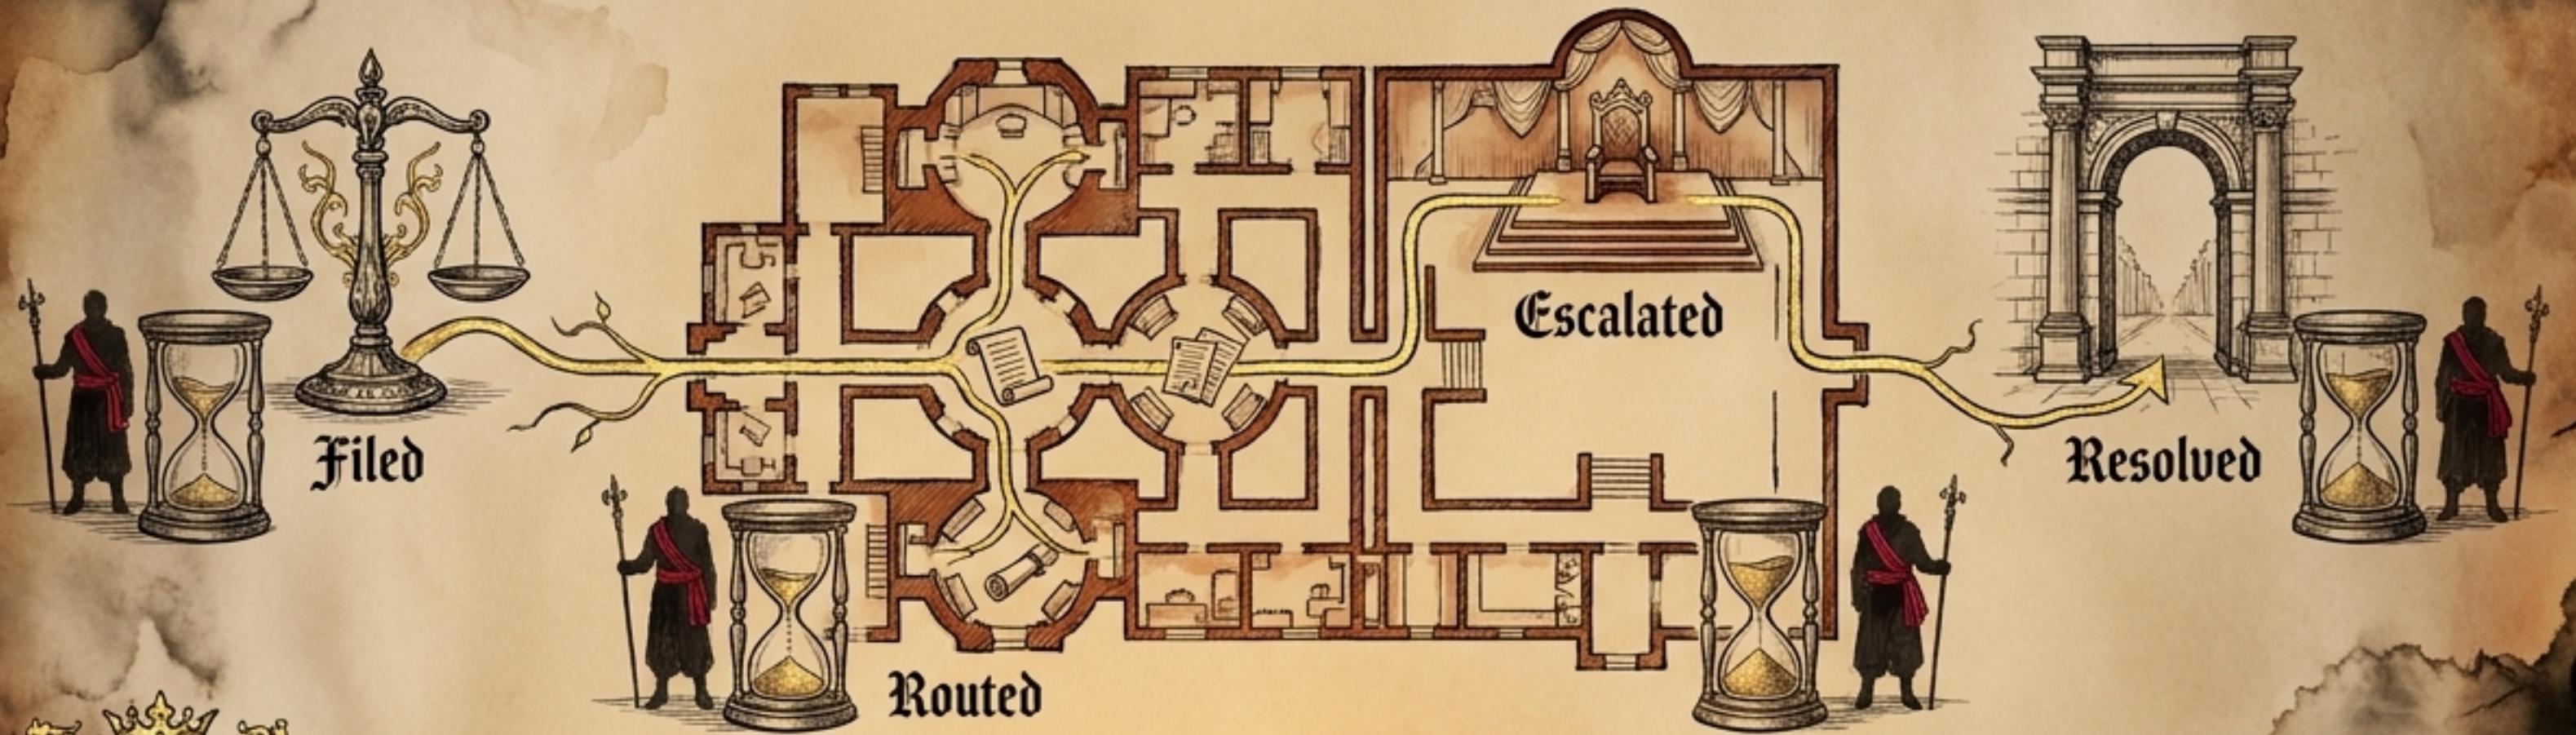

**E**ligibility is surfaced instantly from the depths of vast statutory archives.  
**S**ources are explicitly cited, anchoring every AI response in undeniable truth.  
**L**ogic reasons through the retrieved texts, explaining benefits in simple prose.

# Every Grievance Routed. None Forgotten.

शिकायत दरबार

Petitions are weighed by AI, assigning department and priority without human delay.

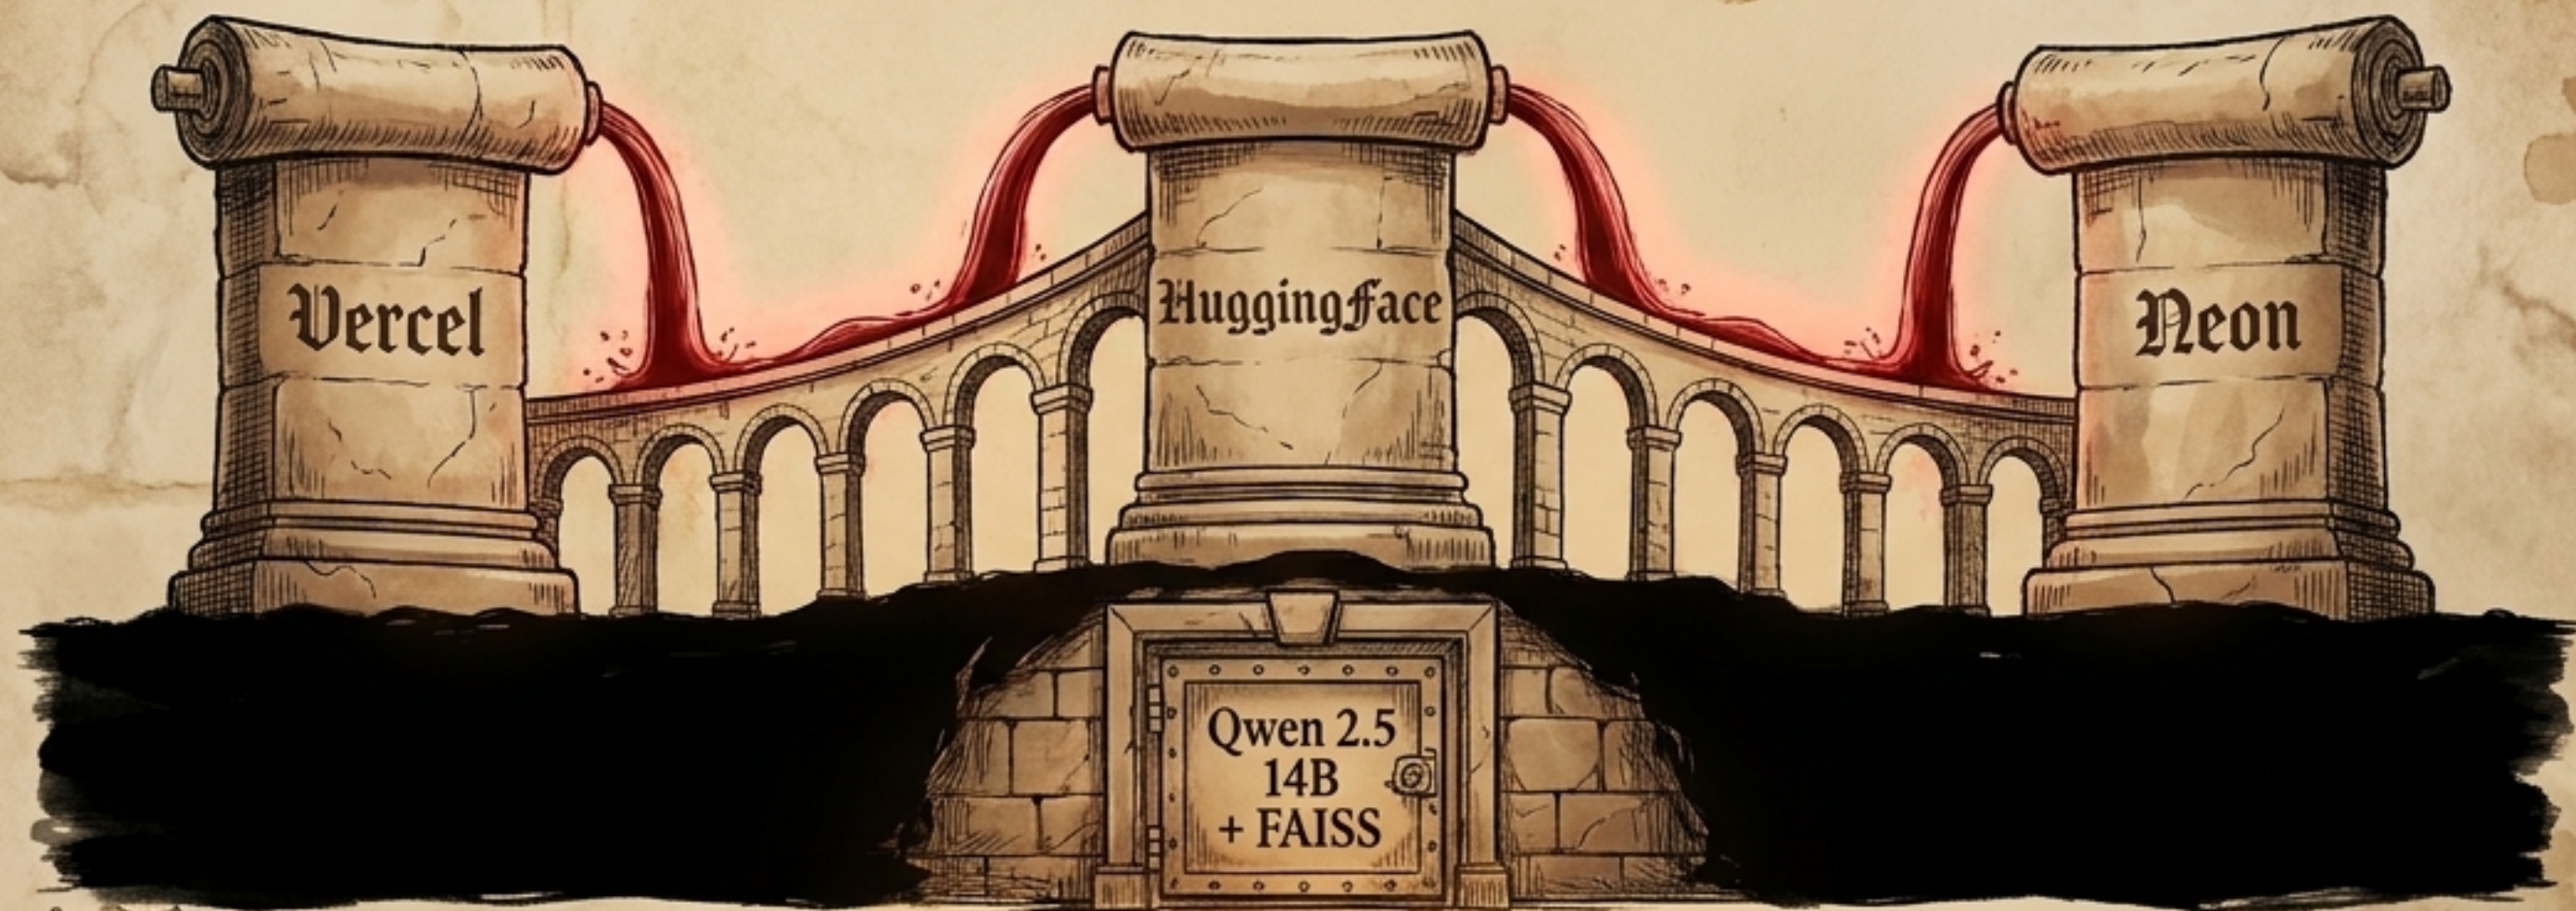

Time is bound by strict hourglass mandates, escalating unresolved pleas automatically.

Justice demands a visible timeline, tracking every step from outcry to resolution.

Built to Endure. Costs Nothing Monthly.

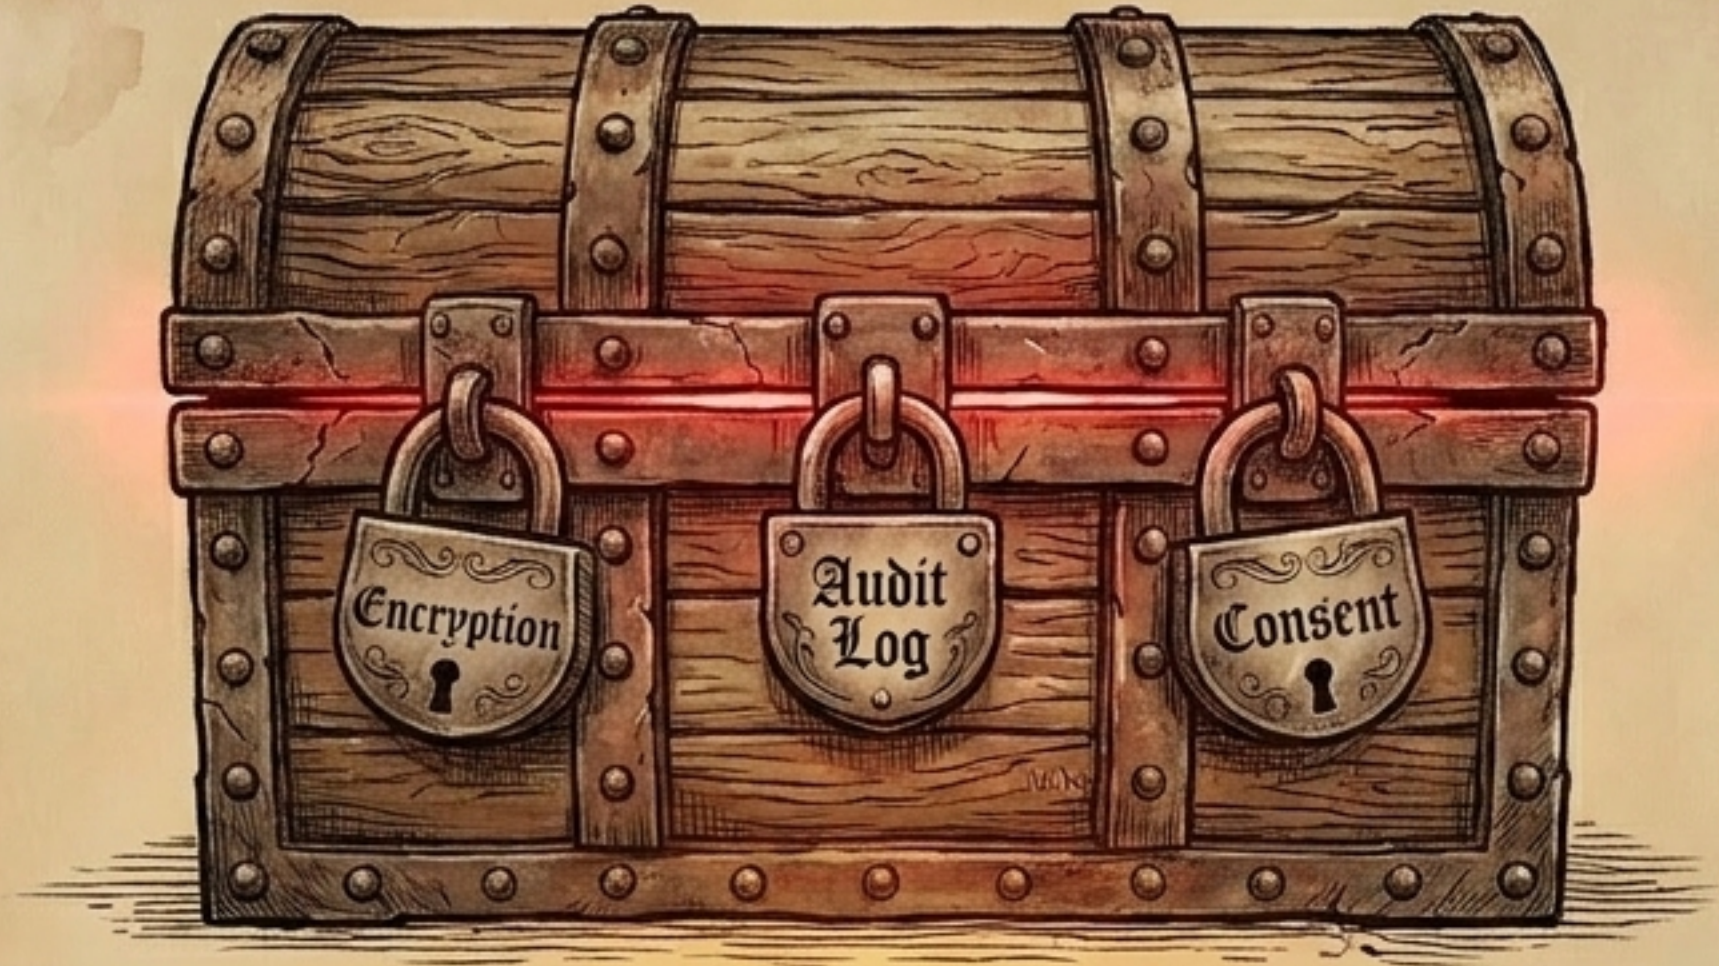

शून्य लागत

**P**illars of modern infrastructure bear the weight without exacting monthly tribute.  
**V**aults of local intelligence ensure the system never falls when connections sever.  
**E**ndurance is forged into the architecture, degrading gracefully into offline capability.
